

Hi Susan,

The Art Faculty at ASU has reviewed your request to exhibit your work in our University Art Gallery (Gallery #193). They were impressed by your images, especially the larger abstract paintings and would like to offer you the opportunity to show your work over the two summer sessions (June 6 - Aug 10, 2016).

We do not have a large budget for summer exhibitions so you would be responsible for the transport of the work to and from ASU. We will take care of hanging the show, designing a poster, and producing labels and supplemental text (Bio and Statement). We will also promote the exhibition through the ASU News and Marketing portal with a press release sent out to local media as well as posted on the ASU web-site. We can also produce a large banner for the outside of the building, but you would have to cover the cost - around \$400.

If you are still interested we would love to have your work on the ASU campus. Please contact me and let me know your thoughts.

Best Regards,

-Randy
